

Gianna Malita

Social Impact Solutions

HELPING YOU
CHANGE
THE WORLD

Who We Are

Gianna Malita Social Impact Solutions provides strategic consulting and advisory services to foundations, nonprofits and corporate leaders to help them improve their operations for better philanthropic outcomes and greater social impact.

We are an innovative, experienced Minority Business Enterprise (MBE) dedicated to providing quality service to clients who want to better meet their mission and help more people.

Our practical solutions will help turn your passion and vision into meaningful impact through improved process, practices, programs, policies, organization, strategies, communications and fundraising.

Let us help you change the world!

How We Help

Build and leverage networks and community relationships to increase social impact and enhance organizational reputation

Recruit and develop diverse talent for optimal business results and a productive, positive and inclusive work environment

Create and execute a strategic plan and engagement opportunities that meet community needs and advance your mission

Draft persuasive communications and create compelling content that moves and inspires givers and supporters to positive action

Leverage financial and business acumen, organizational management abilities, funders' perspective and legal background to help you exceed your social impact goals

What We Offer
